DOLPHO WOLFE.

Discenses of the Lungs-Netice.

Dr. Rebert Hunter begs to inform his patients in Philadelhis that he has epened an establishment in that city, under
he professional charge of Dr. F. Morson, for the special treat
seat of discesses of the throat and lungs.

Dr. Mor on is a memoer of the Royal College of Surgeons,
onden, and has enjoyed, both in that miy and New York,
may and great experience in the treatment of pulmonary afteners. Dr. Hunter would also state for the information of his na-nate residing in Baltimore and Washington, that Dr. Joan Issard Wil lams will hereafter be associated with the Balti-gree fire.

Mesard Williams will bereafter be associated with the Baltimore of fice.

These arrangements have been rendered necessary by the growth of the practice in Philade phis and Baltimore, and by the retirement of Dr. James Hunter in consequence of ill health. Patients in these cities will in future eujor not only all the advantages of Dr. Hunter's advice, but the additional benefit of the personal care and supervision of skilful and assomptished resident physicians.

In the Specialist and Journal of Diseases of the Chest, for February, an extended explanation of Dr. Hunter's views and treatment will be found, with much additional information, which should be read by every one predisposed to or suffering from any affection of the throat or lungs. The Specialist can be precured of the publishers, Messra Sherman & Co. Astor House. Persons residing at a distance, who are prevented by the sate of their health, the weather, or other considerations, from visiting the city for advice, can be precuribed for by the sate of their health, the weather, or other considerations, from visiting the city for advice, can be precuribed for by the sate of their health, the weather, or other considerations, from visiting the city for advice, can be precuribed for by the sate of their health, the weather, or other considerations, from visiting the city for advice, can be prescribed for by a last desser. To render such described more stact, a list of questions has been prepared, which will be sent, with a specimen copy of the Specialist, on application to either of the Specialist, on application to either of the Specimen of the Spe
